## Talk Tuesday

This week, campers had a special treat of getting to talk to the marine division of the Sheriff department. They were kind enough to bring over their boat & even let kids on it to see all the bells and whistles (literally). With blue lights flashing, campers were able to see the fire hose as well and learn about how this boat can save houses and boats from fires by sucking up lake water and projecting it far into the air. Campers were in awe of the pure power of this boat. Campers like Mark Gilbert (4) who want to become a firefighter when he grows up were inspired by the experience to follow their emergency response career dreams.

In the future we have Cathy Bissell (July 28) from [The Bissell pet Foundation](#) and Author, [Alice Feagan](#) (August 3rd) to come read her latest children's book and

## Shark Week! (Water Week)

### Arts & Crafts

Each week, Campers are invited to come to arts and crafts with Lydia at the casino! This week, to celebrate shark week, campers created a game using plastic bottles & then slime with little shark figurines! You can always count on Lydia to have the campers do something creative & fun in the art room!

Water Week is hands down one of campers favorite weeks at camp! Getting to play in the water, play with water balloons and have water relays makes camp so fun. This week, you could see campers getting splashed all week long. Pictured below are images from campers sun tanning, splashing in the pond, special marience division guest and a water balloon toss!

### Kiddle Corral Corner

Kiddle Corral has been swimming, laughing and DANCING! Their new favorite thing is to have dance parties in the mornings! Walk by anytime between 9-12 to see a lot of smiling faces all thanks to their counselors May & Laura and booming happy faces!

### MANNA Food Project Donations!

Our word of the week was Courtesy, so we wanted to teach our campers about the importance of giving back to their local summer community by hosting a food drive! With your help, we were able to donate over 75 items. Thank you to all of those who donated items! The items were hand delivered by campers to the Harbor Springs Location of the Manna food project (located at the Holy Childhood Church). Your donations will be able to assist the support of feeding local families and their children. Pictured below are our campers dropping off the items to the food pantry.
