Week of: June 28, 2021 - July 2, 2021 --- camp@harborpointassociation.com

Campers of the week: Hayes Lauterbach, Sloan Kruer, Evie Holton, Christian Offield

Golf Program

This summer will be our third year helping campers experience the game of golf! Utilizing the beautiful Harbor Point Golf Course, campers aged 5+ were able to work with experienced golf staff on their skills. Campers focused on the basics of golf & how to use multiple clubs. Thanks Golf Club!

WEEKLY RECAP

Friday, July 2nd completed our first week of camp! It was wonderful to see so many children together in the outdoors after a year of Covid keeping us apart. It is always a blessing to come back to Harbor Point and be able to watch campers make new friends and see old friends year after year. We appreciate your family's support throughout all the changes camp has undergone in the last few years!

This week, campers participated in our traditional activities; golf, tennis, archery and swimming. Campers also enjoyed lots of camp favorite games (capture the chicken, wax museum etc.), camp cookery, arts & crafts, relay races and group games.

UP AHEAD! NEXT WEEK PLANS!

SPECIAL NOTE

Next week, campers and their families are invited to come participate in a Family Color Run! Wear all white and join us at the Casino Starting Line. Camp Staff will throw colored chalk into the air as you run past & by the end you will be a rainbow! Following the race, bring hot dogs & s'mores and roast them by the fire!

Arts & A Blast is now run by camp counselor Lydia! Lydia says, "I like art because it is something that everyone can do and it serves as an outlet to create things that are entirely unique and your own! I have been interested in art my whole life and growing up I wished all my classes could have been art classes. In college I plan to study Education and Visual Arts. I want to be a classroom teacher with a focus on incorporating creative art projects into a wide variety of subjects."

Arts & A Blast will be located inside the arts & crafts room.. Please encourage all campers to bring their own water for drinking as there is no longer access to drinking water.

This week we welcomed a new staff member Steve Kloss to our team. Mr. Kloss is donating his time and expertise in archery to help fill our need of "Archery Instructor" this summer. Steve is an avid outdoorsman and is very skilled with archery. Pictured below, you can see how entertained the campers were with his knowledge. We look forward to having him on staff this year! Thank you Steve!

This year we have Ellen Collie (Pictured in staff uniform far right) from Harbor Springs, MI assisting with golf activities. Ellen is a 2020 High School Graduate and was a member of the Varsity Tennis team for all four years playing one doubles. She was a 2x semi state finalist, 3x regional champion, 2x conference champion and the 2019 NMTA Girl's Sportsmanship Award Winner. Ellen continued her tennis career at Utica College this past fall but will be transferring colleges next year! We look forward to having Ellen on staff. If you are looking for private tennis lessons, you may reach out to Ellen directly at ecollie33@gmail.com

KIDDIE CORRAL CORNER

This year, Kiddie Corral is being run by May Savage and Laura Fink. May & Laura are Harbor Point Residents and were campers their entire lives before becoming counselors a few years ago! This year you can expect these familiar faces to be playing alongside the KC and implementing tons of fun activities!

Pictured left are Laura playing on a boat adventure! & May Reading a story. Just a few of the great things we can count on these staff members to be participating in all summer long! Thanks May & Laura!
