

HARBOR POINT SUMMER CAMP!

Week of: July 5, 2021 - July 9, 2021 --- camp@harborpointassociation.com

Campers of the week: Cate Stern, Lilly Hutton, Jamie Hadden, Katherine Nader

Talk Tuesday

This year one addition we wanted to make was to start showcasing the amazing people we have on Harbor Point! We have invited speakers from the area to come to "Talk Tuesday's" to talk for 15 minutes with our campers about something cool!

This week, we had Annie Richardson (pictured above) who has children in camp and is also a neuropsychologist! Mrs. Richardson (Dr. Annie) talked to the kids about the brain, mental health and taught them the breathing technique "smell the flower in one hand & blow out the candle in the other hand" The kids found this technique interesting for relaxation!

In the future we have Chase Offield coming in next week to talk about fishing & his Fish podcast "[The offshore Explorer](#)" and Author, [Alice Feagan](#) to come read her latest children's book!

If you know someone we should feature, please have them email:

HORSE AWARENESS

Friday, July 9th campers got to go to one of their favorite summer events, Horse

Awareness! Horse awareness is a longstanding tradition here on Harbor Point where we take some time each summer to recognize the uniqueness of having horses on Harbor Point and the safety that is required for us to keep them here. Campers get to learn about the horses and are reminded of the rules of biking around them and each get to take a turn petting the horse. Pictured below, Jim Lacount (Barn Manager) and Eric Blesi (HP GM).

We would like to thank Barn Manager Jim LaCount (who is retiring this year) after more than 34 years of working with Harbor Point!

Please make sure to thank Jim for his lifetime of service.

CAMP COOKERY

Thursday of each week campers get to create a fun snack with Camp Manager Brielle! This week, Brielle organized a unique Olympic Week themed snack that involved graham crackers, frosting and M&Ms. Campers picked specific colors to match the Olympic Ring Colors. The Olympic symbol (the Olympic rings) expresses the activity of the Olympic Movement and represents the union of the five continents and the meeting of athletes from throughout the world at the Olympic Games.

Tuesday, July 6th marked the date of the FIRST Annual **"Family Fun Color Run"** on Harbor Point! All camper families and harbor point families were invited to come participate in a night of fun! Families were asked to wear all white, and run from the casino to the Harbor Point Lighthouse. Along the way, staff and family volunteers threw bags of powdered chalk at the participants! By the end of the race, everyone was a rainbow & most participants then chose to rinse off in the lake!

Following the fun run was our traditional Hotdog Roast & S'mores which happens each Tuesday from 5:30-6:00pm (information above). We look forward to holding this event in the future and would like to thank all those camp families and friends for participating! Special thanks to Jena Ofield for suggesting the colorful theme! Pictures of the event can be found below & all photos can be seen by following the link below Photos of your children and families can be downloaded within the next two weeks. Photos were taken by Camp Director Hanna Nest of [Hanna Nest Photography](#).
