Dear Families of Harbor Point Camp,

We want to thank you for another wonderful summer season on Harbor Point. Although we had to shorten our summer camp season (due to so many schools ending & beginning their school year from covid) this summer had many memorable moments. Some of our favorites include our new playground, the family color run and the days we just went to the beach!

Our counselors and staff are consistently excited to come to work everyday because of the joy and zest for life that your children bring with them each day. Our successful summers here at camp sincerely wouldn't be possible without your trust, support and encouragement along the way. Thanks to you and your children, we had an incredible summer season and hopefully you did as well.

See you next year,

Hanna Nest

Talk Tuesday

This week, campers had the special treat of meeting TWO special guests, Tuesday a children's author [Alice Feagan](#) and then on Thursday, we had a pilot, Stefan Lauterbach come talk about his career in the clouds!

Alice (pictured above) read her new book "[The Collectors](#)" to campers. If you are interested in getting a copy of the book, you can visit the local book store "[Between the Covers](#)" located in Harbor Springs, MI.

Stefan (pictured below) brought plane models and taught the campers all about the different types of planes and what it means to be a pilot!

Campers LOVED our talk Tuesday's this summer and we will definitely continue these into next summer!

Thank you to all of our Talk Tuesday participants this year!

Adventure Week

Our final week of camp was nothing short of remarkable! Campers could be seen taking "field trips" to the end of the point and lighthouse, making Tie-Dye and crafts and swimming! Below are some pictures from our last great week!

Finally, We would like to thank all of our amazing staff this summer for bringing happiness and joy to camp each and every day. We are so lucky to have had such a great group of individuals working here this summer. See you all next year !
